

# Earn money for Matsuyama by Activating the Extra Credit program on your Raley's/Bel Air "Something Extra" CARD

Thank you to all of the families that participated in the Raley's/Bel Air program. The Friends of Matsuyama fund received approximately \$2000 last year. Because Raley's/Bel Air changed their program from the Quality of Life card to the new Something Extra card, you must go to the Something Extra website and designate Matsuyama as your recipient. Even if you participated last year, you must re-designate our school.
